# TRAX SYSTEM

TRAX  
SYSTEM

WE'LL HELP  
YOU MANAGE AND  
TRACK YOUR ASSETS  
ALL IN ONE PLACE

## WHAT IS TRAX SYSTEM?

Trax system is a modular purchasing inventory system with six modules. Select from these components to fit your business needs:

- Assets
- Inventory
- Depreciation
- Vehicle

### BUILT WITH:

Node.js  
React.js  
Gliffy  
Passport  
Express  
MySQL  
Sequelize  
Heroku

## MANAGE ASSETS ALL IN ONE PLACE

View, add, edit and manage:

product tracking  
purchase requests  
user authentication  
vendors and suppliers

## QUESTIONS?

Please share with us suggestions and concerns as we continue to grow:
